Savy's Walk 2026 raises over \$10,000 for aviation grant

 Titles are generated by AI from Meta

What an incredible day at the first annual Savy's Walk 2026. It was an honour to be invited by the Royes family to join more than 350 people from across our community at Lambert Willson Park to celebrate the life and legacy of Savanna May Royes.

Together, over \$10,000 was raised for the Savanna May Royes Aviation Grant, ensuring Savy's passion for aviation will continue to inspire and help future generations pursue their dreams. Thank you to everyone who walked, volunteered, donated, and made this such a meaningful day. Savy's legacy continues to soar.
